The Court orders pursuant to MCR 7.206(D)(4) and MCR 7.216(A)(7) that defendant Wayne County Circuit Court Judge Deborah A. Thomas shall forthwith resolve the pending motion to amend the order of restitution in lower court case number 12-006683-FH. Plaintiff represents that it filed the motion on October 7, 2013, and that on January 8, 2014, the court entered an order staying its decision on the motion pending a response from the prosecutor. In light of defendant's failure to file an answer to the complaint for superintending control, the allegations are uncontested. Because plaintiff has no other adequate legal remedy available, this Court finds that it is appropriate to order peremptory relief on the complaint.

This Court retains no further jurisdiction.
