

**Court of Appeals, State of Michigan**

**ORDER**

**U.S. Bank National Association v David L. Carswell**

Docket No. 327034

LC No. 12-006823-CH

---

Michael J. Talbot, Chief Judge, acting under MCR 7.201(B)(3), orders:

The application for leave to appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defect in this filing, and the defect was not corrected in a timely manner by providing this Court with five copies of a brief conforming to MCR 7.212(C). Although defendant filed a brief subsequent to receiving notice of the defect, that brief failed to provide any Argument as required by MCR 7.212(C)(7) or citation to the record as required by MCR 7.212(C)(6). Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.
