

Court of Appeals, State of Michigan

ORDER

In Re Andrew Michael Laude

Docket No. **327344**

LC No. **11-040697-DL**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

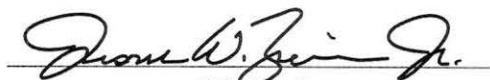

The claim of appeal is DISMISSED for lack of jurisdiction because the April 30, 2015, order granting respondent's motion to discontinue sex offender registration is not a final order that is appealable by right. MCR 7.203(A); MCR 3.993(A)(4); MCR 7.202(6)(a)(i). The final order in this delinquency case was the judgment of sentence or disposition; the April 30, 2015, order is a post-judgment order that may be appealed only by application for leave to appeal under MCR 7.205. MCR 3.993(B).
