**ORDER**

**Melissa S Dorchak v Robert E Dorchak**

Docket No. 327768

LC No. 14-052553-DM

---

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

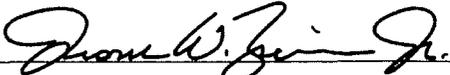

The claim of appeal is DISMISSED for lack of jurisdiction because the May 18, 2015 judgment of divorce is not a final judgment appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That judgment is not a final judgment under MCR 7.202(6)(a)(i) because it does not dispose of all the claims in this case. Particularly, the trial court's treatment of the contents of the marital residence constitutes encouraging the parties to reach a voluntary settlement as to division of those contents without actually disposing of the matter. At this time, appellant may seek to appeal the May 18, 2015 judgment of divorce by filing a delayed application for leave to appeal under MCR 7.205(G). Alternatively, appellant might seek entry of a final order under MCR 7.202(6)(a)(i) that disposes of all remaining claims in the trial court and thereafter file a timely claim of appeal.
