Re: *People v. Mona Hussien Fawaz*,  
**Michigan Court of Appeals No.: 328121**  
Wayne County Circuit Court Case No.: **2011-001736-01-FH**

Dear Mr. Lowe:

This is further to our telephone conversation early last week regarding Wayne County Circuit Court Judge Thomas Jackson's reinstatement of my client's sentence of probation (see attached copy of the Order of Probation) in view of the recent *Lockridge* decision.

Enclosed is an executed Stipulation to Dismiss Appeal, which is offered for entry despite the absence of an affidavit from my client. My client, who was released from custody last week, has failed or refused to respond to my request for assistance with dismissing the subject appeal, even though this is something we discussed and agreed to.

In any event, if additional information is needed before the subject appeal can be dismissed please let me know.

Very truly yours,

Melvin Houston  
Attorney at Law
