Judges

The Court orders that the application for leave to appeal is DENIED because defendant has failed to meet the burden of establishing entitlement to relief under MCR 6.508(D). The defendant alleges grounds for relief that could have been raised previously and he has failed to establish both good cause for failing to previously raise the issue and actual prejudice from the irregularity alleged, and has not established that good cause should be waived. MCR 6.508(D)(3)(a) and (b).
