Pursuant to MCR 7.205(E)(2), in lieu of granting the delayed application for leave to appeal, the Court orders that this matter is REMANDED to the Genesee Circuit Court, in light of *People v Steanhouse*, \_\_\_ Mich App \_\_\_; \_\_\_ NW2d \_\_\_ (2015), for the limited purpose of determining whether the court would have imposed materially different sentences had the court been aware that it was bound by the reasonableness standard of *People v Lockridge*, 498 Mich 358; \_\_\_ NW2d \_\_\_ (2015), when fashioning defendant's sentences. If the trial court determines that it would have imposed the same sentences, it may reaffirm the original sentences. If, however, the trial court determines that it would not have imposed the same sentences, it shall resentence the defendant. In all other regards the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented. This order has immediate effect. MCR 7.215(F)(2). The Court does not retain jurisdiction.
