

Court of Appeals, State of Michigan

ORDER

Tania Chris Alexander v Warden Cotton Correctional Facility

Docket No. 329705

LC No. 99-004311-FC

Michael J. Talbot, Chief Judge, acting under MCR 7.201(B)(3) and MCR 7.203(F)(1), orders:

The complaint for habeas corpus and motion for immediate consideration are DISMISSED for failure to pursue the case in conformity with the rules and for lack of jurisdiction. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court served appellant with an order regarding the payment of an entry fee, and appellant failed to pay the entry fee in a timely manner.

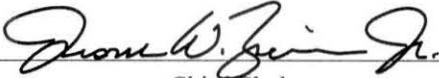

Dismissal of the complaint for habeas corpus is also warranted for lack of jurisdiction because the complaint must be filed in the county in which the prisoner is incarcerated and is only properly filed in this Court “[i]f it is shown that there is no judge in that county empowered and available to issue the writ or that the judicial circuit for that county has refused to issue the writ” MCR 3.303(A)(2). Plaintiff has not made that showing. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.
