

Court of Appeals, State of Michigan

ORDER

People of MI v Charles Marty King

Docket No. 329808

LC No. 2006-003587-FC

Michael J. Talbot, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees is GRANTED for this case only.

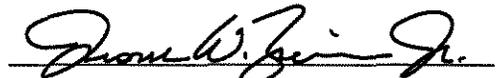

The delayed application for leave to appeal is DISMISSED for lack of jurisdiction because the letter defendant seeks to challenge is not an order and the jurisdiction of an appellate court is confined to judgments and orders. *Lown v JJ Eaton Place*, 235 Mich App 721, 726; 598 NW2d 633 (1999).
