On order of the Court, the application for leave to appeal the June 8, 2011 order of the Court of Appeals is considered, and it is DENIED, because the defendant has failed to meet the burden of establishing entitlement to relief under MCR 6.508(D). The motion to strike is GRANTED, only to the extent that the briefs filed in this Court by the Attorney General are stricken, as those briefs pertain to a different case involving different facts and issues than those presented by the defendant's application in this case.
