---

The Court orders that the motion for immediate consideration of the second motion for stay pending appeal filed on April 23, 2013 and the motion for immediate consideration of the motion to file a reply to appellee's answer to the second motion for stay are both GRANTED.

The motion to file the reply to appellee's answer to the second motion for stay is also GRANTED.

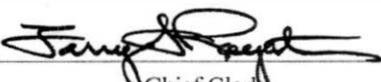

The second motion for stay is DENIED. We note that we disfavor a practice of presenting a second motion for stay predicated on substantially the same grounds as an earlier motion for stay already denied by this Court.
