The Court orders that the motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal the June 18, 2012, order denying defendant's second motion for judgment relief, entered by the Wayne County Circuit Court, is DISMISSED for lack of jurisdiction. MCR 6.502(G)(1) limits a defendant one motion for judgment relief after August 1, 1995. Following his convictions and direct appeal, defendant filed a motion for judgment relief on July 27, 2006, which the trial court denied on August 31, 2006. Although the trial court denied the second motion for judgment relief on the merits, defendant may not appeal the denial of a successive motion for relief from judgment, MCR 6.502(G)(1), and none of the exceptions under MCR 6.502(G)(2) are applicable.
