The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED for failure to demonstrate that the issue must be initially addressed by the trial court or for failure to demonstrate that factual development of the record is required for this Court's review. However, defendant-appellant has now preserved for appellate review the objections to the scoring of the sentencing guidelines raised in the motion to remand, MCR 6.429(C).
