---

The Court orders that the motion to allow defendant's motion filed in propria persona is GRANTED.

The motion to remand for an evidentiary hearing is DENIED.

The delayed application for leave to appeal the September 21, 2012, order from the Wayne Circuit Court is DISMISSED for lack of jurisdiction. Because defendant previously appealed and filed a post-judgment motion for relief, he could seek relief in the circuit court only under the procedures provided by Subchapter 6.500 of the Michigan Court Rules. Defendant already filed a motion for relief from judgment and cannot appeal the denial or rejection of a successive motion for relief from judgment. See MCR 6.502(G)(1). None of the exceptions found in MCR 6.502(G)(2) are applicable.
