Pursuant to MCR 7.205(D)(2), in lieu of granting the delayed application for leave to appeal, the Court VACATES the circuit court's November 9, 2010 order and REMANDS with direction that defendant be given credit for the 211 days he served between his initial sentence for prisoner in possession of contraband, MCL 800.281(4), which was imposed on April 14, 2009, and his resentencing on November 10, 2009. Defendant began serving that sentence as soon as it was imposed on April 14 because he was already serving beyond the minimum term of his previous sentence. *Wayne County Prosecutor v Dept of Corrections*, 451 Mich 543, 579-580; 548 NW2d 199 (1996).
