ORDER

In re Toby Jacob Rhodes

Kathleen Jansen
Presiding Judge

Docket No. 305187

Pat M. Donofrio

LC No. 2011-119087-AS

Deborah A. Servitto
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The Court orders that the motion to waive transcript requirements is GRANTED.

The Court orders that the motion for stay of proceedings in the district court and the motion to suspend proceedings in the district court are DENIED. This appeal is not brought from the district court cases and, therefore, there is no basis for granting petitioner's request. Moreover, this Court's jurisdiction over petitioner's appeal of right is limited to that portion of the circuit court's July 15, 2011, order which grants sanctions against petitioner. MCR 7.202(6)(a)(iv); MCR 7.203(A)(1). To the extent that petitioner seeks review of the circuit court's dismissal of his complaint, his appeal was not timely filed and he may only seek review of that order by filing a delayed application for leave to appeal. MCR 7.205(F).

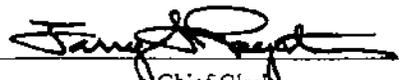

The motion to waive fees is GRANTED for this appeal only.
