---

The Court orders that the motion for immediate consideration is GRANTED.

The motion to waive the requirements of MCR 7.209 is also GRANTED.

The motion for stay is DENIED.

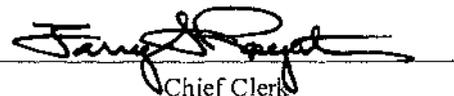

The motion to remand is also DENIED for failure to persuade the Court of the necessity of a remand at this time. However, we authorize the Board of Medicine Disciplinary Subcommittee to set aside or amend the October 24, 2011 order appealed from if it concludes that it is appropriate to do so based on its consideration of appellant's motion for reconsideration of that order. See MCR 7.208(A)(1).
