

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **Michael C Ward Sr v Scott Idsinga**  
Docket No. **302731**  
L.C. No. **07-003872-CK**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the December 17, 2010 judgment is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That order cannot be a final order under MCR 7.202(6)(a)(i) when the claims of plaintiff Michael Ward against defendant Scott Idsinga were not finally disposed of until entry of the order dated March 18, 2011 dismissing all claims by Ward against Idsinga with prejudice.

The claim of cross appeal is also DISMISSED for lack of jurisdiction. Because appellants do not have an appeal of right in this matter, it follows that there was no right to file a cross appeal. MCR 7.207(A)(1).

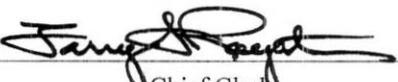

Notably, appellants may file a delayed application for leave to appeal the December 17, 2010 judgment within 21 days after the date of this order under MCR 7.205(F)(5).
