

Court of Appeals, State of Michigan

ORDER

Virginia Diane Haskell v Paul P Turowski

Docket No. 314043

LC No. 11-019670-CZ

Amy Ronayne Krause, Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees is DENIED. Appellants make no showing of indigency so as to be entitled to a waiver or suspension of fees under MCR 2.002(D). Further, contrary to their characterization, appellants have not already paid the \$375 entry fee for filing the present appeal. Rather, appellants paid a \$375 entry fee for the filing of the prior claim of appeal in Docket No. 312046 that was dismissed by this Court for lack of jurisdiction. That does alter appellants' obligation pursuant to MCL 600.321(1)(a) to pay a \$375 entry fee for filing the claim of appeal that initiated the present appeal.

Appellants shall pay to the Clerk of the Court, within 21 days of the certification of this order, the entry fee of \$375. Failure to comply with this order will result in the dismissal of the appeal.
