The Court orders that the motion for immediate consideration of the application for leave to appeal is DENIED. Appellant has it within his own power to avoid the circumstance that he identifies as the basis for his motion. Where a person believes that a court order is incorrect, the remedy is to appeal. The person may not simply refuse to comply. *In re Contempt of Dudzinski*, 257 Mich App 96, 112; 667 NW2d 68 (2003).

Hoekstra, J., would grant immediate consideration.
