

Court of Appeals, State of Michigan

ORDER

People of MI v Jackie Lee Trammell

Docket No. 315927

LC No. 10-033872-FH

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the March 19, 2013 judgment of sentence, which was based upon a plea of guilty to a crime committed after December 27, 1994, is not appealable as a matter of right. MCR 7.203(A)(1)(b). In this regard, it is immaterial that defendant-appellant was found responsible for a probation violation after a contested hearing because the underlying conviction is still based on his guilty plea. At this time, defendant-appellant may seek to appeal the March 19, 2013 judgment of sentence by filing a delayed application for leave to appeal under MCR 7.205(F).

The motion for peremptory reversal is DENIED as moot.
