

Court of Appeals, State of Michigan

ORDER

In Re Petition for Foreclosure of Certain Parcels of Property

Docket No. 319207

LC No. 12-002869-CZ

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because no actual order denying the motion for temporary restraining order and relief from judgment has been entered on August 23, 2013. Further, there is no appeal of right from the November 1, 2013 order on respondent's motion for reconsideration. This appeal cannot be preserved by treating it as an appeal of right from the February 4, 2013 judgment of foreclosure because the appeal was not filed within 21 days of that order and no motion for post-judgment relief was filed within the initial 21-day appeal period. MCR 7.204(A)(1)(a).
