Pursuant to MCR 7.205(D)(2), in lieu of granting the application for leave to appeal, the Court VACATES the circuit court's January 13, 2014 order quashing the bindover on the charge of resisting and obstructing a police officer. MCL 750.81d(1). Proof of obstructing did not require evidence on all of the elements of trespassing as set out in MCL 750.522(1). It only required evidence of obstructing, i.e., that defendant knew that he was trespassing, and thus that he knew that he was failing to comply with a lawful command. MCL 750.81d(7)(a). There was sufficient evidence to establish probable cause that defendant committed the offense proscribed by MCL 750.81d.

The case is REMANDED for further proceedings consistent with this order. We do not retain jurisdiction.
