Because this Court lacks jurisdiction to entertain an appeal from a circuit court order denying relief from judgment from an order denying habeas corpus relief, see *Triplett v Deputy Warden Jackson Prison*, 142 Mich App 774, 779-780; 371 NW2d 862 (1985), the Court will consider petitioner's delayed application as a complaint commencing an original action for habeas corpus relief. So considered, the Court orders that the complaint for habeas corpus is DENIED.
