

Court of Appeals, State of Michigan

ORDER

People of MI v Robert Francis Hanley

Michael J. Kelly
Presiding Judge

Docket No. 325216

Donald S. Owens

LC No. 14-008929-FH

Patrick M. Meter
Judges

The Court orders that the motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. Particularly, it appears that the case call panel may determine from the existing record whether trial counsel performed deficiently in failing to object to the relevant prosecutorial argument and testimony presented at trial.
