The Court orders that the motion for immediate consideration is GRANTED.

The motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. We note that, as indicated by appellee, appellant, without need for a remand from this Court, may file a motion in the trial court requesting it to modify the child custody or parenting time provisions of the order appealed from based on alleged changed circumstances notwithstanding the pendency of this appeal. See MCL 552.17(1); MCR 7.208(A)(4); *Lemmen v Lemmen*, 481 Mich 164; 749 NW2d 255 (2008).
