The Court orders that both of the motions to remand pursuant to MCR 7.211(C)(1) are DENIED. Defendant-appellant has not demonstrated that further factual development of the record or an initial ruling by the trial court is necessary at this time in order for this Court to review the issues on appeal. Under *People v Lockridge*, 498 Mich 358; 870 NW2d 502 (2015), remand is mandatory if the guidelines minimum sentence range changes when recalculated without consideration of facts not found by the jury or admitted by the defendant and this recalculation of the sentencing guidelines may be performed based on the existing record.
