Judges

On its own motion, this Court orders the parties to be prepared to address at oral argument MCR 2.403(L)(2), which provides:

There may be no disclosure of a party's acceptance or rejection of the panel's [case] evaluation until the expiration of the 28-day period, at which time the ADR clerk shall send a notice indicating each party's acceptance or rejection of the panel's evaluation.

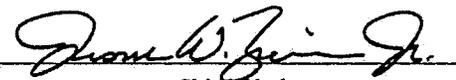

The underinsured motorist policy at issue in this case contained an exclusion for circumstances in which a claim was settled by the insured without the insurer's consent, or where the insured failed to give prompt written notice of a tentative settlement. The parties are directed to discuss the ability or inability to comply with these contractual demands in the context of case evaluation and the non-disclosure mandate of MCR 2.403(L)(2).
