

STATE OF MICHIGAN
COURT OF APPEALS

DONALD E. HOOPER,

Plaintiff-Appellant,

v

RONALD HOOPER, GRANT HOOPER and
BERTHA HOOPER,

Defendants-Appellants.

UNPUBLISHED
February 11, 2003

No. 234111
Sanilac Circuit Court
LC No. 01-027647-CH

Before: O'Connell, P.J., and White and B. B. MacKenzie*, JJ.

WHITE, J. (*concurring*).

I join in the majority's affirmance of the dismissal of plaintiff's request for an accounting for rent and past profits, and his request that the property be registered with the Farm Service Agency. While I find ambiguity in the record regarding whether plaintiff sought a use partition below, in light of the circuit court's opinion on remand, I concur in the affirmance on that issue as well.

/s/ Helene N. White
